New York University
Technology Tools and Training Student Specialist

June 2025 – May 2026
New York, NY

- **Facilitated 130+ faculty workshops** on Gemini, NotebookLM, and Brightspace, supporting instructors in integrating AI and educational technologies into teaching.
- **Developed instructional resources and Brightspace training modules** to support faculty and staff in adopting university-supported learning technologies.
- **Designed presentations, live demonstrations, and workshop materials** for university-wide professional development initiatives.

LAIA CABRERA & CO.

Design Intern

June 2025 – August 2025

Jersey City, NJ

- **Conducted visual and historical research** for *Perennial Land*, an immersive projection-mapping installation exploring climate justice.
- **Supported exhibition planning and on-site installation for a public event attended by 200+ visitors** at Amster Yard, integrating historical and artistic references into multimedia experiences.
- **Designed visual assets** using Adobe Photoshop, After Effects, and Premiere Pro, and **supported projection testing** for large-scale immersive installations.

Yinfinity

Account Executive

June 2024 – August 2024

Shanghai, China

- **Coordinated communication** between clients and internal creative teams to support the execution of influencer marketing campaigns.
- **Reviewed and refined 100+ KOL/KOC advertising copy assets**, ensuring alignment with client branding, campaign objectives, and platform requirements.
- **Managed project timelines, organized client meetings, and prepared progress reports**, helping ensure projects were delivered on schedule.

New York University
MCC MediaLab Assistant

April 2023 – April 2024

New York, NY

- **Developed digital media projects** using HTML/CSS, WordPress, and Adobe Creative Suite (Photoshop, Illustrator, InDesign, Premiere Pro, and Audition) for academic and departmental initiatives.
- **Designed digital content and supported 50+ workshops and departmental events**, including the annual MediaWorks Showcase, while creating and managing social media content for the MCC Department and MediaLab.
- **Served as a teaching assistant for one practice-based course each semester**, reviewing student assignments, providing technical guidance, and supporting students throughout course projects.
